# **Read Books, Use the Library, Win stuff**

Canton Public Library's fourth Summer Reading Program specifically for teens is coming this summer! Starting June 23, 2017, there will be movies, events, activities, and snacks geared toward teenagers and centered on this year's theme *Build a Better World!* Sign up at the Young Adult desk by setting a Reading Goal for the summer on or after June 23 and earn points by reading books, recommending all kinds of media, using the library, and having fun! Use those points to enter raffles to win cool stuff at the end of summer.

*Build a Better World* is open to teenagers entering 7<sup>th</sup> through 12<sup>th</sup> grade. Younger patrons should check out the summer reading program in the Junior Room downstairs.

# How It Works

Sign up for *Build a Better World* on or after June 23, 2017. Come to the Young Adult desk, decide on a *reasonable* reading goal (Hint: a lot of schools are **requiring** students to read at least **2** books this summer; this might be a good goal for reluctant readers. For more enthusiastic readers, try to challenge yourself without being unrealistic!), and start your Build a Better World log! Put your *name* and *goal* on the **outside cover**, and use the **inside** to *keep track of all the points you earn* this summer. Leave your log here at the **library** so it doesn't get lost. Come back often to record your reading, watching, writing, and point earning!

**100 Points = 1 Raffle Ticket**

Every time you earn 100 points, see **Rosie** to fill out a raffle ticket and choose which prize you want to try to win!
