Check out the cook book at the library, and sign up for the recipe you want to make by the day before the meeting. The earlier you sign up, the more likely the recipe you want will be available! Come to the meeting to share your dish and try everyone else's creations, as well!

Create a character and have an adventure! Starting Monday, July 1 and continuing until August 26. For new and experienced players, new members always welcome!

Anime Club Tuesdays 6-9pm
