

Start by signing into your account and choosing “Log Reading and Activities”:

Choose what you would like to log. For all summer reading challenges, the only option will be minutes.

- Kids under 5 years old who are enrolled in the 1000 Books Before Kindergarten challenge will also have the option to log books.

Log Reading

This time will be logged to Child Reader's profile.

Select a day.

Days that have minutes logged are marked with a green dot (•).

Log Close

- Choose the date for the reading that you want to log (red arrow).
- If you want, add the title of the book you read (blue arrow). If it's a book in the Beanstack database, a suggestion for it will fill in, which will automatically fill in the author and add a cover to your reading log page!
- Add the time spent reading (yellow arrow). You can use minutes or hours.
 - Every time you add time, only add the amount that you spent reading that day/ session.
 - To add time to a day when you already logged, only add the **additional time**, not the total that includes what you already logged.

As always, contact the Canton Public Library with any questions about Beanstack or summer reading!
